

Dingley's Promise Training is bringing about a fundamental change in early years practice across England.

Using our knowledge and experience of supporting children with Special Educational Needs and Disabilities (SEND) in our nursery settings for over 40 years, we have developed a range of inclusion training courses to help others supporting children with SEND in the early years.

Each course has been designed to enable flexible remote learning and includes webinars and resources for practical application of the learning within daily practice.

Courses include:

- Introduction to Early Years Inclusion
- Early Years SEND Transitions
- The Voice of the Child
- Managing Difficult Conversations
- Behaviours That Challenge
- Intersections within Early Years Practice
- Leadership and Management for Inclusion
