Families First Project support and Opportunities

Questions and Answers and next steps

Purpose of today's session

Opportunity to hear about:

- The training project and key partners involved
- What the training includes, who it is for, and how to access it
- The newly launched Mark of Inclusion
- The wider programme of events and support available for local authorities and providers throughout the project
- We know there will be lots of questions – we will answer what we can but we won't be able to answer them all
- About 1215 we will share a link/QR code for you to share your details and this will enable us to get back to you

And time for questions and answers

Dates for your diary - events and support

Regional sessions for local authorities and providers will be held in early November

We will send out the dates and invites and also put in the folder you will have access to

In the LA meetings this time we will look at:

- How to move training sign up to completion
- Mark of Inclusion
- Digital Inclusion
- And other topics generated by you!

The provider meetings will focus on what the training is, and practicalities around access

Q&A on the training and support on offer

- What practical questions do you have?
- What would work for you in supporting training take up?
- What are your specific challenges and what would help from us?

This offer goes live on Friday

- Are there any settings in your area you could be targeting now for the training ?
- Have you any planned events and mailings you can be using to promote this offer in the next few weeks?
- How can you ensure that sign ups turn into training completions?
- Please start to think about who you think might be suitable to be put forward for the Mark of Inclusion – 3 per LA – more details at the Regional Meetings
