Jurassic Coast Ultra Challenge

Saturday 15th May to Sunday 16th May 2027

Take on one of the UK's most spectacular coastal challenges along the World Heritage Jurassic Coast. Starting at Corfe Castle, the route heads through Swanage before passing the stunning Lulworth Cove and iconic Durdle Door. Challengers taking on the longer distances continue through Weymouth and towards Bridport, including a stretch along the famous Chesil Beach. With a choice of distances and the option to walk, jog or run, there is a challenge to suit a range of abilities. With fantastic support along the route and an unforgettable coastal setting, it's a brilliant way to challenge yourself while raising funds for Dingley's Promise.
